1. The following is an Examiner's Statement of Reasons for Allowance:

Amendment filed 07/05/2005 corrected the defect in the specification as indicated in the previous office action (05/06/2005).

The prior art fails to disclose or suggest an audio mixing system that particularly having an audio control apparatus including a first clock detector for detecting a disconnection between the receiving path and the audio control apparatus, and a first message generator for transmitting a disconnection message or notification to other audio control apparatuses and audio processing apparatuses over the transmitting path when a disconnection of the receiving path has been detected by the first clock detector; and also fails to disclose or suggest an audio mixer system that particularly having an audio control apparatus a plurality of transmission paths configured in a loop for connecting the one or more audio control apparatuses and the one or more audio processing apparatuses, the plurality of transmission paths including a transmitting path and a receiving path for communicating the control instructions and audio signals through the loop in a single direction; wherein each audio control apparatus including a first message generator for transmitting a first connection signal over the transmitting path, and a first message receiver for detecting that a loop connection of the plurality of transmission paths has been

completed by subsequently receiving the first connection signal on the receiving path as recited in various apparatus claims. And the prior art further fails to disclose or suggest the different methods for monitoring and controlling the corresponding audio mixing system, as indicated in the apparatus claims above, including the corresponding functional steps that are performed by the audio mixing system.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Xu Mei whose telephone number is 571-272-7523. The examiner can normally be reached on Monday-Friday (9:30-6:00).
